To allow you to audit your invoice charges, the invoice that we send to your registered address will contain a detailed statement of each request charged.

You will be invoiced for each quotation request that you receive for the price that is reflected in your application and agreement form. Should you invoices fail to reach you and be returned to us or should your direct debit fail, your account will be automatically suspended.

All prices are in GBP. Tellus BV reserves the right to review and alter the quotation prices annually on January 1st. I understand and accept the pricing structure on page 3. All prices are in GBP.

All claims must be returned before the last business day of each month so that they can be deducted from that invoice period. If we receive claims after this time, they will not be process until the following invoice period.
